Fine Art Day Camps

Our Fine Art Day Camp is for 5-15 year olds interested in having fun while participating in a rich, educational experience. This fine art program specializes in giving children the opportunity to explore their creativity under the direction of our enthusiastic and knowledgeable instructors and camp leaders.

Each camp encompasses ALL of the following EVERY Summer Day:

Drawing

Working from nature, still-lives, photographs and independent ideas, students will be introduced to specific drawing fundamentals and techniques including line drawing, value, shape, pattern, texture, shading, perspective and composition. Personal style is celebrated.

Painting

Incorporating drawing fundamentals, students will add color mixing, layering, studies from art history and independent ideas into their experience. Mediums explored are watercolors, tempera, inks and acrylic.

Clay/Wheelthrowing

Handbuilding techniques will be explored in workshops using pinch pots, solid build up projects, coiling, slab construction, slumping and draping methods. All items will be created with cone 5 clay, fired in our kilns and then hand decorated with underglazes and fired to final maturity. **Wheelthrowing** begins with learning to center clay, pulling up walls, shaping and the final detail of trimming a foot.

Printmaking

Discover the power of art, design and texture through printmaking. Students create their own designs and drawings, and learn about color theory working with different colored inks and paper.

Sewing

Use felt to create monsters, dolls, robots, pillows, puppets or anything the imagination brings. Camps will focus on backstitch, over sewing, blanket and running stitches. Also, learn how to appliqué and sew on patches to existing items such as clothes, pillows, canvas backpacks and cloth bags.

Mosaics

Mosaics are made up of small objects such as colored glass, stones, recycled materials, tiles, handmade figurines out of clay, handmade tiles, and broken china. Mosaic work will be created on wood mirrors, wooden sculpture forms, panels, stepping stones and flower pots. Terminology and technique will be discussed and color, pattern and design will be emphasized.

There are no make-ups for Fine Art Day Camps. A \$45 non-refundable deposit reserves space in camps. Download a Registration Form (PDF) at studio4art.net.
